STERILE OPHTHALMIC SOLUTION

Description:

Each ml contains: Dextran 1.0 mg and
Hydroxypropylmethylcellulose 3.0mg.

Properties:

Serene Sterile Ophthalmic Solution treats dry eye symptoms by replacing needed tear components to soothe irritated eyes. Advanced polymeric system of Dextran and HPMC acts like natural tears and creates a strong, stable tear film layer to protect the corneal surface. It also increases retention time without increased viscosity, isotonicity and neutral pH. It also provides longer wetting time to cornea for a longer, soothing and lubricating effect.

Indications:

Serene is indicated for the relief of burning, irritation and discomfort due to dryness of the eye, or due to exposure to wind or sun. It may also be used for protection against further irritation. It is also indicated as supplement to aqueous, lipid or mucin deficiencies.

Dosage:

Instill one or two drops into affected eye(s) three or four times a day or as directed by the physician.

Contraindications:

Serene Sterile Ophthalmic Solution is contraindicated in those individuals who are hypersensitive to any of its components.

Warnings:

Do not touch the tip of the container to any surface to avoid contamination. Replace cap after use. Discontinue usage and consult a doctor if pain or changes in vision or continued redness or irritation of the eye experienced, or if the condition worsens or persists for more than 72 hours. Do not use if the color of the solution changes or solution becomes cloudy.

Storage:

Store between 15 to 25°C. Protect from light. Keep all medicines out of the reach of children.

Presentation:

Serene Sterile Ophthalmic Solution is supplied in 15 ml plastic dropper bottle.

Manufactured by:

Elko Organization (Pvt.) Ltd.
Plot No. 27 & 28, Sector 12-B,
North Karachi Industrial Area,
Karachi, Pakistan.

مقدار اور طریقہ استعمال:

ڈاکٹر کی ہدایت کے مطابق۔

۱۵ سے ۲۵ ڈگری سینٹی گریڈ کے درمیان رکھیں۔

روشنی سے بچائیں۔

بچوں کی پہنچ سے دور رکھیں۔

بوتل کو نلے کے بعد ۳۰ دن سے زائد

استعمال نہ کریں۔

MARKETED BY:
LUMEN
